Dear John,

Attached please find, the Final Report of Investigation regarding the above-referenced case, as well as Exhibits 1-2BB referenced in the Final Report. Exhibits 3-26 will be sent to you in a separate email. The Final Report and exhibits provided to you and Complainant have been redacted under the Family Educational Rights and Privacy Act ("FERPA") to remove personally identifiable information of students. Because of confidentiality concerns, the names of parties, witnesses, and other individuals who are not students have been redacted from the Final Report as well. If you wish to review any of the redacted information, please contact me by email, and I will schedule a time to provide the information verbally by Zoom videoconference.

ODR is also providing copies of the Final Report and exhibits today to Kwok Yu, as the Title IX Resource Coordinator and Liaison for FAS.

Thank you again for your participation and cooperation in what we appreciate was a difficult process.

Best,
Ilissa
